

Reflective Account for placement

The I2I initiative learning cycle

| | | | | | |
|----------------------------|--|----------------------------------|--|---------------------|--|
| Participant's Name: | | Time frame for placement: | | Date agreed: | |
|----------------------------|--|----------------------------------|--|---------------------|--|

Please give a summary description of the placement i.e. which organisation, department or service

Why did you select this placement i.e. how did it relate to your current role?

| | |
|--|--|
| What Learning Outcomes did you agree with your Line Manager? | |
| i. Which of the following core Learning Outcomes could be achieved with this placement? As a result of participating in this placement, I wanted to gain ... | |
| <input type="checkbox"/> | A better understanding of the challenges faced by members of staff in other organisations delivering care along the same patient/service user pathway that you are involved with |
| <input type="checkbox"/> | Increased awareness of the opportunities and obstacles that can arise when members of staff try to work collaboratively across the health and social care sector |
| <input type="checkbox"/> | Knowledge of the skills and capabilities offered by other service providers along the same patient/service user pathway that you are involved with. |
| <input type="checkbox"/> | New or improved ideas to make the patient/service user journey along the care pathway as smooth, effective and user-friendly as possible |
| <input type="checkbox"/> | New or improved professional relationships between your service and others delivering services along the same care pathway |
| ii. What specific Learning Outcomes did you hope to achieve through this placement? As a result of participating in this placement, I wanted to have specifically gained ... | |
| | |
| | |
| | |
| 3. Please describe your achievements against the planned Learning Outcomes and related actions | |
| | |

4. Please describe any unexpected aspects that had an impact on your learning from this job shadowing placement

5. Please reflect on your personal and professional learning from this placement particularly in relation to the care pathway or services that you deliver

6. Reflecting on your learning, which aspects of your role, service or activities could be improved to create a more positive impact on service users, patients and colleagues along the care pathway?

7. What specific actions could you take to make this a reality?
