“Great day, insightful, good cross sections of peers. I picked up some useful and new information.”

“We took advantage of 3 for 2 which was a great help as the whole team are able to attend.”

“The quality of the speakers and information was brilliant and very relevant.”

Join us at **Wensum Valley Hotel & Golf Club on 20th June**, the day is planned to be **informative** and **interactive** for you to make the most of the **expert knowledge** in the room. We will provide networking opportunities to connect you with fellow providers, especially useful when you are in dialogue with local authorities about commissioning services.

National Care Association has **forged partnerships with care sector business leaders** to look at how we can **support you** to run your business. Join us at our Norfolk Business Clinic to workshop with individuals with specialised sector experience, who will share with you **invaluable tools** for your business through **advice and discussion with you**.

The day will be led by a number of experts including:

- Barclays Bank – healthcare banking specialists
- Skills for Care – staffing expertise
- Christie & Co – care home property consultants
- Lester Aldridge – legal healthcare experts
- Care sector leaders – members of the NCA board and Sheila Scott OBE

This event is open to members and non-members to aid the running of your business. Who should attend?

- Senior decision makers
- Owners
- Registered managers

I am really looking forward to meeting providers at this event. We believe that our Business Clinics, with open discussion and debate, will gauge where the industry is heading and how we as individuals can subsist, adapt, innovate and achieve success for our business, our employees and the people we care for.

Nadra Ahmed OBE

Executive Chairman

National Care Association
